Independent Accountant's Review Report

Board of Directors
Wilton Food Pantry:

I have reviewed the accompanying financial statements of Wilton Food Pantry which comprise of the statement of financial position of December 31, 2019 and 2018, and the related statements of activities, cash flows, and functional expenses for the years then ended. A review consists principally of inquiries of the Organization's management and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing and implementing, and maintain internal control relevant to the preparation and fair presentation of the financial statements.

Accountant's Responsibility

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

Accountant's Conclusion

Based on my review, I am not aware of any material modification that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.
